

(2) Care will be exercised that, prior to the disposal of the chapel, equipment such as organs, hymn books, and other ecclesiastical furnishings have been removed or shipped in accordance with applicable regulations.

(3) All copies of the contract evidencing the sale of chapels will be accompanied by copies of the instructions, if any, received from the Chief of Chaplains authorizing the disposal. If no such instructions have been received, the DE will attach a statement that in the absence of instructions, all known interested parties have been contacted and that the disposal has been made after due consideration of applications, the uses to be made of the chapel building and the need therefor.

**§ 644.491 Coordination with the Chief of Chaplains.**

The DE will submit applications for the purchase of chapels to DAEN-REM, who will request the Chief of Chaplains to select the purchaser and advise DAEN-REM of his selection. Where no applications are obtained as a result of the advertising, the DE will so advise the Chief of Chaplains, reporting steps taken to obtain a purchaser, and recommending that the chapel be sold without conditions, in the same manner as provided for disposal of other buildings. If the Chief of Chaplains does not approve this recommendation or issue other appropriate disposal instructions within a period of 60 days, DAEN-REM will be informed.

**§ 644.492 Report on disposal of chapel.**

As soon as practicable after the sale has been consummated, notification of disposal of chapels will be made by the DE direct to the Chief of Chaplains, with a copy to HQDA (DAEN-REM) WASH DC 20314, by letter, which will contain the following information:

- (a) Location and brief description of chapel or chapels.
- (b) Reference to disposal instructions, if any, received from the Chief of Chaplains.
- (c) Identity of purchaser and price paid.

**§ 644.493 Release of restrictions on chapels sold.**

Where the purchaser fails to maintain and use the chapel in accordance with the conditions of sale, or the purchaser requests release of the conditions, the facts will be reported to DAEN-REM with appropriate recommendations. DAEN-REM may release the purchaser from the conditions of sale without payment of a monetary consideration upon a determination that the property no longer serves the purpose for which it was sold, or that such release will not prevent accomplishment of the purpose for which the property was sold.

**§ 644.494 Donation, abandonment or destruction.**

(a) *General.* Improvements may be abandoned, destroyed or donated to a public body, upon a finding in writing by the DE (but in no event shall such finding be made by the official directly accountable for the property) that the property has no commercial value or that the estimated cost of its continued care and handling would exceed the estimated proceeds from its sale, or that abandonment or destruction is required by military necessity, or by considerations of health, safety or security.

(b) *Finding of Fact.* The finding will be prepared as a separate document headed: Finding of Fact for ———. The finding will be sufficiently complete within itself to justify the decision to donate, abandon, or destroy the property proposed, without outside reference. It will be drafted to provide, where the finding is made by the District Engineer, for approval by the Division Engineer. Finding of fact concerning property which had an original cost in excess of \$500,000 requires the approval of DAEN-REM. A copy of each such finding, so approved, will be forwarded by the DE to the regional office of GSA.

**§ 644.495 Donation to a public body.**

A public body, as defined by GSA for this purpose, means any State, territory or possession of the United States, any political subdivision thereof, the
